

# Food Handling Equipment

## What Goodhart Sons, Inc Offers:

Goodhart Sons, Inc. is a fully equipped steel fabricator and installer based in Lancaster, PA. We offer a wide and diverse range of equipment for the food and beverage industries such as bins, hoppers, duct collectors, chutes and process skids. Our capabilities allow us to create the components for your food processing line as well as install it. We can customize these pieces to meet and special needs that may be required. We have for over 75 years provided:

- Peanut Butter Coolers
  - Ovens and Dryers
  - Horizontal and Vertical Mixing Tanks
  - Chocolate Melters
  - Stainless Steel Butter Melters
  - Stainless Steel Counter Tops and Table Covers
  - Pin Ovens
  - Feed Bins
  - Blow Mold Equipment
  - Wicket Oven Fabrication & Installation
  - Stainless Steel Crumb Catchers
  - Tote Bins Available In Carbon or Stainless Steel
- Aluminum Can Production Equipment Installation

Goodhart Sons, Inc. also offers nonunion installation services ready to install projects fabricated by Goodhart Sons, Inc. as well many types of OEM equipment. We have successfully completed co-generation turnkey projects at many locations throughout the United States and have the experience, knowledge and resources to plan and execute complicated shut-downs. Our field crews are licensed in 44 states and are also MSHA certified for both above and below ground work. Ultimately, Goodhart Sons, Inc. wants to be your Single Source for all of your project needs.
