### **Goodhart Sons Inc. Revamps Food Processing Equipment During Six Day Shutdown**

Goodhart Sons, Inc., a steel fabricator and installer in Lancaster, PA. was recently contracted by a food manufacturing company to perform the design, fabrication and installation of six (6) rectangular stainless steel silos including the removal of the existing silos. The fabrication consisted of the six stainless steel silos being polished to the customer specifications and delivery to the job site in Lancaster, PA. The Installation consisted of the mechanical and electrical removal of the existing silos, including electrical connection, during a six-day shutdown period.

Goodhart Sons, Inc. [www.goodhartsons.com](http://www.goodhartsons.com), is a fully equipped steel fabricator and installer located in Lancaster, PA. with over 175,000 square feet of production space. They are ASME Section VIII, Division I board certified in possession of their R, S and U stamps as well as an AISC Member and are up to the challenge of completing your project with the highest level of quality, on time, and within budget.

Goodhart Sons, Inc. also employs millwrights, riggers, welders, pipefitters, electricians and insulators that travel the country and abroad to install the projects that they fabricate as well as many types of OEM equipment and production lines. Goodhart Sons, Inc. has the experience, knowledge and resources to plan and execute complicated shut-downs.
