Goodhart Sons Inc. Expands Safety Program

Goodhart Sons, Inc., a steel fabricator and installer in Lancaster, PA. continues to invest in an unyielding commitment to the success of their safety program.

Steve Weisser, the Safety & Health Manager at Goodhart Sons, Inc., has recently taken and successfully passed OSHA Safety Certification Course #510 1926.

The training was completed thru the United States Department of Labor, Mid Atlantic OSHA Training Institute Education Center. This Course covers all OSHA policies, procedures, standards, and safety & health principles in the Construction Industry fields.

“It is our mission to not only continue our education as it relates to safety, but to share the knowledge gained in order to promote a safe and healthy working environment”, says Weisser.

Goodhart Sons, Inc. is a fully equipped steel fabricator and installer located in Lancaster, PA. with over 175,000 square feet of production space. They are ASME Section VIII, Division I board certified in possession of their R, S and U stamps as well as an AISC Member and are up to the challenge of completing your project with the highest level of quality, on time, and within budget.

Goodhart Sons, Inc. also employs millwrights, riggers, welders, pipefitters, electricians and insulators that travel the country and abroad to install the projects that they fabricate as well as many types of OEM equipment and production lines. Goodhart Sons, Inc. has the experience, knowledge and resources to plan and execute complicated shut-downs.
