## **Goodhart Sons Inc. Announces The Formation of Safety Committee**

Goodhart Sons, Inc., a steel fabricator and installer in Lancaster, PA. has announced the formation of an internal Safety Committee. The purpose of the committee is to implement a policy for safety and health that clearly illustrates the company's approach in providing a safe and healthy work environment.

The committee consists of representatives from various areas within the company who will meet on a regular basis to deal with safety and health concerns. They will evaluate the risk of workplace accidents and make recommendations for accident prevention and safety program activities. The Safety Committee also sets up and promotes programs to improve employee training and education.

Goodhart Sons, Inc. is a fully equipped steel fabricator and installer located in Lancaster, PA. with over 175,000 square feet of production space. They are ASME Section VIII, Division I board certified in possession of their R, S and U stamps as well as an AISC Member and are up to the challenge of completing your project with the highest level of quality, on time, and within budget.

Goodhart Sons, Inc. also employs millwrights, riggers, welders, pipefitters, electricians and insulators that travel the country and abroad to install the projects that they fabricate as well as many types of OEM equipment and production lines. Goodhart Sons, Inc. has the experience, knowledge and resources to plan and execute complicated shut-downs.
